Dear Mr. Azel:

The Department of Small Business Development (SBD) has completed the review of your application and attachments submitted for certification. Your firm is officially certified as a Micro/Small Business Enterprise (MICRO/SBE) in accordance with section 2-8.1.1.1.1 of the Code of Miami Dade County.

This certification is valid for three years provided there are no changes rendering your firm ineligible for certification. You are required to submit a "Continuing Eligibility Affidavit" annually with specific supporting documents on or before your Anniversary Date as listed above. You will be notified in advance of your firm's Anniversary Date. Failure to comply with the said responsibilities may result in immediate action to decertify your firm. Every three years you will receive a full recertification review that may include an onsite investigation; SBD will also notify you accordingly.

If at any time during the certification period, there is a material change in your firm, including, but not limited to ownership, officers, Director, scope of work being performed, daily operations, affiliations with other business (es) or physical location of the firm, you must notify this office in writing within (30) days. Notification should include supporting documentation. You will receive timely instructions from this office as to how you should proceed, if necessary.

Your company is certified in the following categories as listed below, affording you the opportunity to bid and participate on contracts with small business measures. Please note that the categories listed are very general and are used only to assist our customers in searching the directory for certified firms to meet contract needs. The directory for all certified firms can be accessed on the Miami-Dade County SBD website <http://www.miamidade.gov/sba>.

Thank you for doing business with Miami Dade County.

Sincerely,
